

Tuscarawas Central Catholic Tuition Rates and Fees 2019-20

Tuition rates for the 2019-20 school year are listed below. Please note that:

- The actual per student cost for the 2019-20 school year will be approximately \$5,581.
- **The tuition rates we charge are far below the actual cost per student.** We can offer tuition rates below actual cost only because of the great generosity of our donors and parishes.
- The cost of a Catholic education is a priceless investment in the future of our children!
- Multiple child discounts are based on enrollment in all three of the Tuscarawas County Catholic Schools. (For example, a family with a student in the high school will be charged second child rate for a student in one of the elementary schools.) Multiple child discounts do not apply to the pre-school and pre-kindergarten programs.
